

Caucus & Regular Council Meeting Minutes
Tuesday, September 14, 2021
7:00 p.m.

CAUCUS:

The caucus meeting was called to order at 7:00 pm.

ROLL CALL: S. Scaffide, S. Barr, D. Walker, G. Bellan, K. Labbe, M. Stauffer and B. Furey

ABSENT:

ALSO PRESENT: Ted Yates, Mayor
David Maistros, Law Director
Sarah Buccigross, Finance Director
Shannon Collins, Clerk of Council
Mark Gutowski, Senior Communications Administrator

Presentations:

No presentations this evening.

Items for Discussion:

Mayor Yates asked what council would like to do about holiday lights at city hall. It is getting too late in the year to purchase and have in place and the option to rent would need to be know so they can get it scheduled. The cost would be around \$4,375. Mr. Bellan asked that if we rent again this year, will we still be revisiting purchasing for next year. Mayor Yates stated that yes they would look at purchasing. He also stated that the lighting would be permanent and colors could be changed and used for other reasons. Mrs. Buccigross stated the money to purchase the permanent lighting is already approved in this year's budget.

No further items for discussion this evening.

Audience Participation:

Bob Thewes – 2229 Demi Drive

Mr. Thewes spoke about the food and beverage options available to the golf leagues through Aaron & Moses. He stated the cost has gone up significantly and his league is taking their end of season banquet elsewhere because of this. He stated the course is losing money when people do this.

Krista Hill – 1996 Eaton, Twinsburg Township

Ms. Hill stated she was there to speak about the Guyron Property between 480 and Hadden Road. She stated about 40% of the property in the township and the other 60 % which borders 480 is city property.

The original plan for the land could not happen and is looking to get land rezoned as Industrial. The township land could possibly be annexed by the city. She stated she was speaking for the residents of the Twinsburg Heights area and they are requesting that the city does not annex the land which could then be built as Industrial. The buildable property is in the township and they believe the residents of Twinsburg Heights should be able to have a say in what happens with it. This would be right next to their homes and this is not something these residents want. They have additional information they would be happy to share with council.

No further audience participations this evening.

Pending Legislation:

Resolution 64-2021 – Mr. Scaffide stated this resolution is for a conditional use permit for a religious institution at 9445 Vail Drive. This is for a Twinsburg Chabad. At their August 16th meeting, Planning Commission favorably recommended it to council for approval. (Subject to PUD C-2 Zoning)

Mr. Barr added that this was approved by planning and most of the events would take place in off business hours so it should not impact the parking for the other businesses.

Ordinance 65-2021 – Mr. Scaffide stated this ordinance is to clarify Section 111.05 regarding Council Representatives, specifically as stated: *'Each Council position shall serve, if so desired, but shall not be elected to the position of President more than once in four years. Should the Vice President of Council assume the role of President due to a vacancy he/she shall not be prohibited from serving as President the following year if so elected.'*

Resolution 66-2021 – Mr. Scaffide stated this resolution is to accept the 'Assistance to Firefighters Grant' from FEMA. Total grant is for \$107,500 and the city's portion is \$9,772.73. This is for a Power Lift System and Cot (\$26,000), Three Thermal Imaging Cameras (\$24,000) and Four Vehicle Exhaust Drops and System as Fire Station #2 (\$56,000).

Resolution 67-2021 – Mr. Scaffide stated this resolution is also to accept a grant from FEMA under the Fire Prevention and Safety Grant'. The total grant is for \$8,750, with the city's portion being \$416.67. This grant is for 50 residential Knox Box units for the Fire Department's existing program.

Mrs. Labbe asked who these Knox Boxes designated to go to. Chief Morgan stated they have a waiting list of residents. Most applicants are senior citizens or disabled and there is an evaluation of financial need and there is a small rental fee. These boxes allow entry into homes without damaging doors.

Mrs. Stauffer asked about businesses. Chief Morgan stated that most new structures are required to have it but there are some that were built before it was in the code that do not.

Mr. Scaffide gave a special thanks to Assistant Chief Bosso for applying for both grants on behalf of the department. I believe these put him over the \$1 million mark for grants in his career, not only in Twinsburg, but other aspects of his life too.

Ordinance 68-2021 – Mr. Scaffide stated this ordinance is to approve the construction agreement for a waterline extension located at 9802 Chamberlin Road. Council had previously approved a contract in 2019 for this parcel but the property now has new owners. This will have the same terms as the first and there should be no cost to the city on this.

Resolution 69-2021 – Mr. Scaffide stated this resolution is for the final approval for ODOT to perform work in city limits for resurfacing at 480 & 91. The city's share of funding is \$67,137. He stated this includes 700' of paving Rt. 91 each side of I-480.

Resolution 70-2021 – Mr. Scaffide stated this is to authorize the city to submit an application to OPWC for the Ravenna Road Sanitary Sewer. This will be for grant and/or loan funding. The estimated project will be \$516,560 with the city's portion being \$258,280. This project needs to be completed before the next resurfacing which may be added to the project at 100% the city's cost.

Resolution 71-2021 – Mr. Scaffide stated this is again to authorize the city to submit an application to OPWC but this application is for the Ethan's Green – Sewer Outfall Lining Project. The estimated project will be \$550,000 with the city's portion being \$250,000. With the way the scoring is this is the best amount to ask for on this competitive application.

Resolution 72-2021 – Mr. Scaffide stated this is to accept the amounts and rates provided by Summit County for the Tax Year 2021 with collection in 2022 tax levies. The new Police and Fire Levy of 2.4 Mills is included and the Park Debt is no longer listed.

Ordinance 73-2021 – Mr. Scaffide stated this is to establish the fund for the Federal American Rescue Plan Act (ARPA) funding. The reason for the emergency is to get the fund set up to record transactions as soon as possible.

Ordinance 74-2021 – Mr. Scaffide stated this ordinance is to appropriate the initial budget for the new Special Revenue fund set up by Ordinance 73-2021. Again, the reason for the emergency is to fund this account as soon as possible to record the transaction from the ARPA Local Fiscal Recovery Fund.

Ordinance 75-2021 – Mr. Scaffide stated this is to amend the appropriations for the two technology project projects for city hall. The first project is for Council chambers technology upgrades at a cost of \$30,000 and the other is for an electronic sign to replace the current marquee in front of city hall. That cost is \$35,000, for a total appropriations amendment of \$65,000. The reason for the emergency is to start as soon as possible.

Miscellaneous:

Mr. Maistros stated there was an additional liquor permit request which the city has asked for a thirty day extension on for further details.

Mr. Scaffide stated he will be making a motion in the regular meeting regarding a new liquor permit request from Cracker Barrel. This would be for a D2 permit, which is for wine and mixed beverages for on premises consumption or in original sealed containers for carryout only until 1:00am.

Mr. Maistros stated there was an additional liquor permit request which the city has asked for a thirty day extension on for further details.

No further miscellaneous this evening.

Meeting adjourned at 7:22 pm.

Regular Council Meeting:

Mr. Scaffide called the Regular Council meeting to order at 7:30 pm.
