Upon issuance of a tree removal permit, a copy of said permit shall be prominently displayed on the site prior to the removal, relocation or replacement of any trees. Tree removal permits shall be included with all other permits and shall be displayed alongside of them on site. No final certificate of occupancy shall be issued until any relocation or replacement of trees required by this permit have been inspected and approved by the City Engineer or his authorized representative. The undersigned hereby agrees to comply with Chapter 1171 - Tree and Vegetation Protection, and Chapter 1172 – Landscaping Regulations of the City of Twinsburg. Please call the Engineering Department at (330) 963-6247 to schedule inspections. Please include a self-addressed envelope when requesting permits by mail.
